

**From the Secretary's  
Desk**

*Dear Friends, A copy of the CE magazine Feb 1923 quotes Dr Francis Clark himself as he yearned in prayer for his young people for more than 4 years. An annual week of prayer brought 30—50 new members into the church each year, mostly young ones. Where are the Christians who will pray like this today?- are YOU one of them? We need your prayer. Thank you.*

*Christine*
