

11. “WORTHSHIP”

☺ This programme of worship will be as chairman’s order of service given last week. Worship is because our God “is worth it”.

PICTURE QUIZ QUESTIONS:

Ask the Juniors to tell you what you cannot see in each picture but will be there.

- Answers:
1. wind
 2. foundations
 3. gravity
 4. sound waves
 5. power of air currents
 6. ultra violet rays
 7. light waves to make impression on film
 8. scent
 9. magnetic force
 10. love

Sum up by emphasizing that God has made things that we can see and feel, and also many things we cannot see and yet we know that they are there.

DISCUSSION NOTES:

Refer to Bible passages. God created a wonderful, vast world and yet He cares for each one of us. We can see so much of what He has made. We cannot see God but God sent Jesus to show us what kind of person He is. As well as making things that we can handle, God controls the unseen. He can control our tempers, give us patience, love, happiness and peace. Let’s pray to Him now in chain prayer and praise Him for all that He has made and can do for us.

Leaders always have to be one week ahead of the Juniors so that they have the items to prepare for next week.

The order of service for week twelve follows but the details for the Group Work will be printed in week twelve.
